

MANDATE

Matthew 6:10 - "On earth as it is in Heaven."

A people hungry to encounter God and nurture His presence, to see world-wide revival!

Raising up pioneers that make a highway for others to follow in a revival lifestyle, in order to transform every place of society on planet Earth!

Breakthrough City Church has been mandated with having and being an **A.R.M.**:

Apostolic Base: A strong, well-built home base, which governs in the spirit – in the city, region, country and nations to which we are sent. It facilitates an open Heaven and carries the culture of revival.

Resource Centre: Here, people serve and are equipped and trained for ministry in their respective fields and spheres of influence, such as the creative arts, business, etc. This includes walking in the supernatural and demonstrating the Kingdom!

Missions Thrust: We have a passion for the nations and desire to see, through urban, rural, local and trans-local missions, every domain of society transformed and reformed to Heaven's blueprint: education, family, arts (entertainment) & science, media, government, church (religion) and business.
